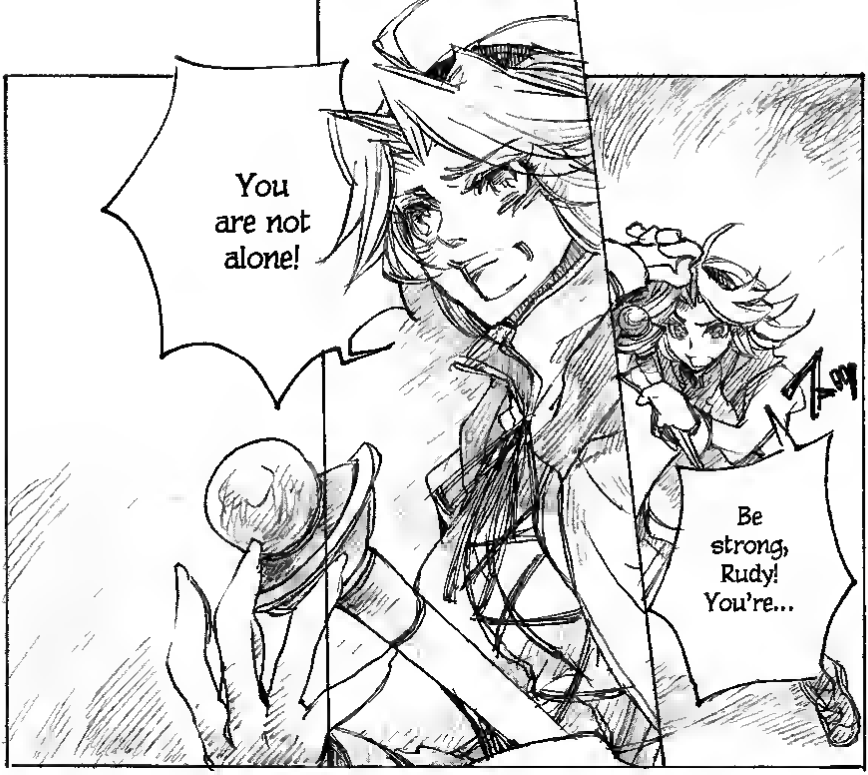
No one
will ever
love me.

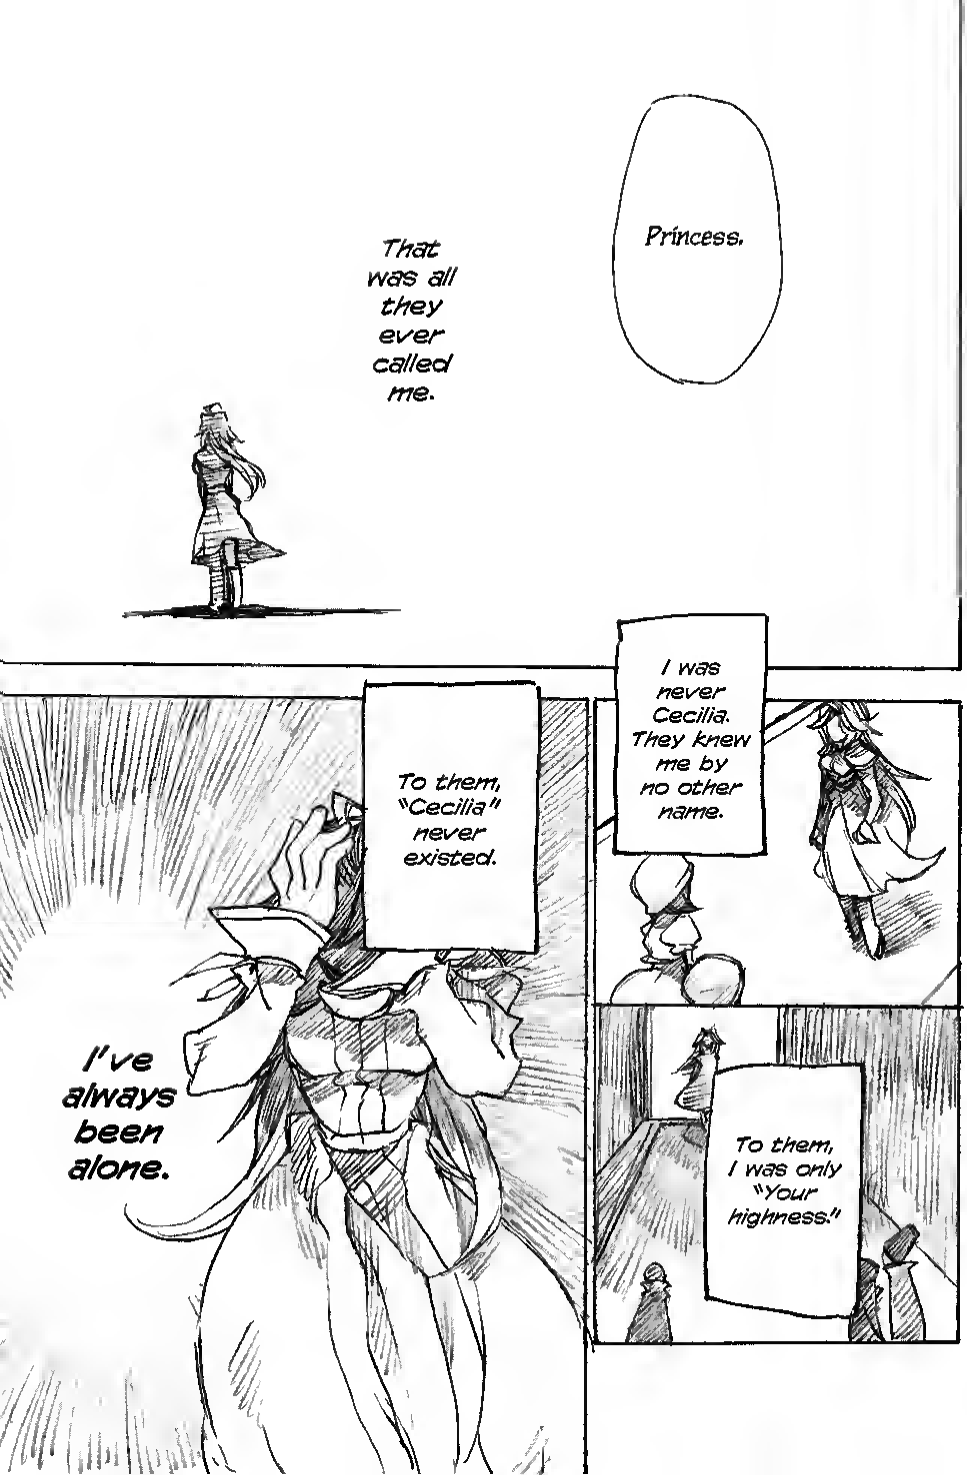
...So you're the one keeping Rudy's heart closed.
I'm Elizabeth, a Dream Demon.
I feed on hearts... Like his.

If you want him back, first you'll have to go through me!
SHING
JWMM
Rudy!
BAM
BAM
BAM



No, you're not...

I'm the only one of us who needs to deal with feeling that way.



Princess.
That was all they ever called me.
I was never Cecilia. They knew me by no other name.
To them, "Cecilia" never existed.
To them, I was only "Your highness."
I've always been alone.

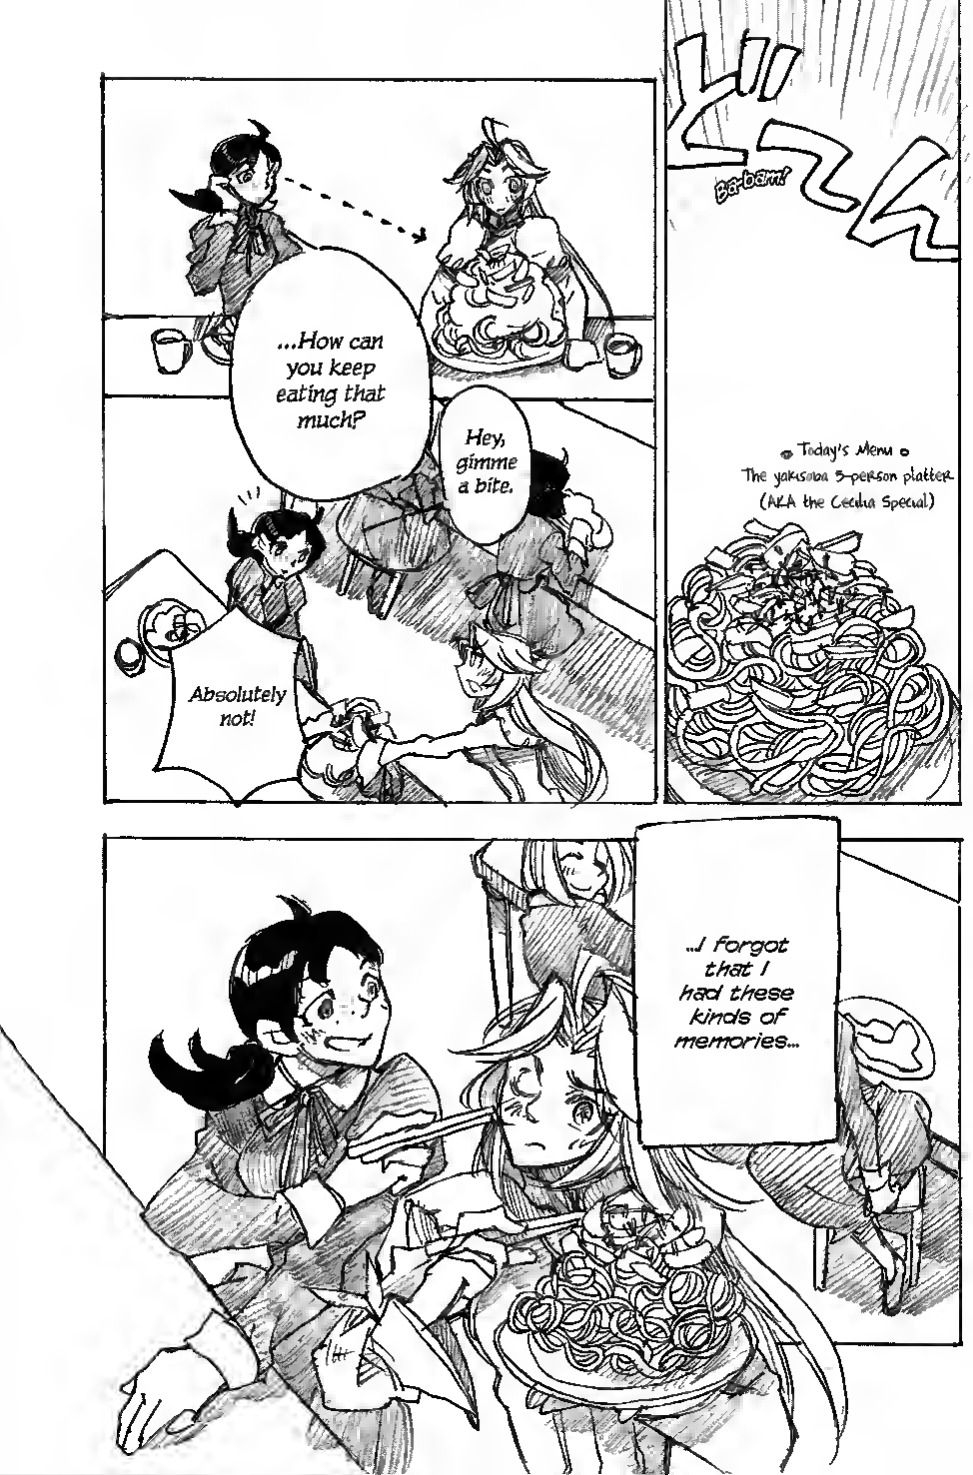
...Oh...
Heh.
GLOW
Oh, y'all are makin' this too easy for me.
Buh-bye.
FWOO

Maybe... this is okay.
Maybe I could die right here and be done with it all.
Hey, class is over!
Cecilia!
Hello? Are you still sleeping?

Welcome back to the world of the living.
...Pereira?

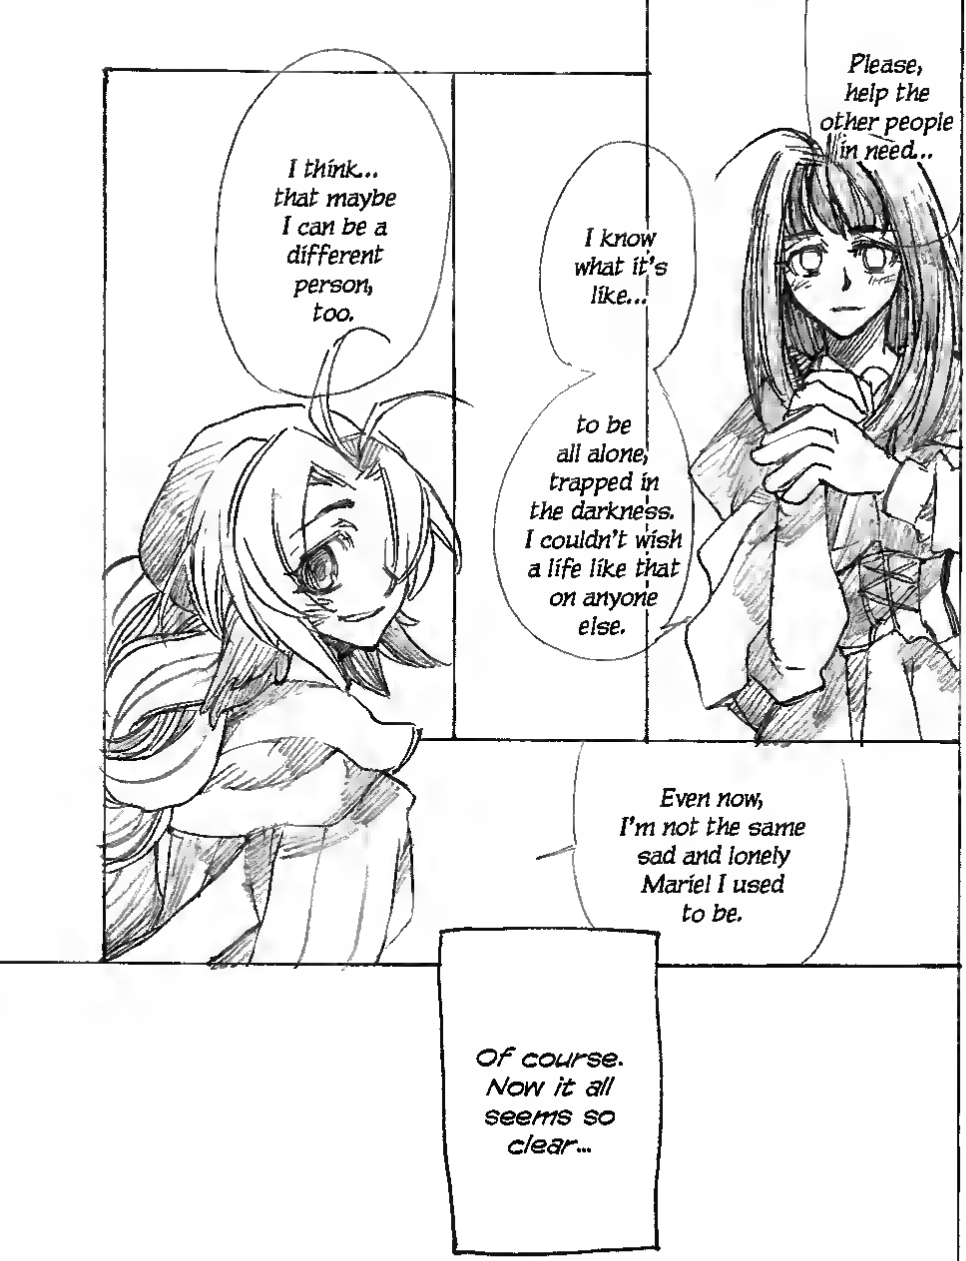
Well, c'mon. Let's go grab some lunch!
Oh, now I remember! Today's special course is...

You sleep like a rock, you know that?
You were even mumbling. It was so weird.
...What? I was not!

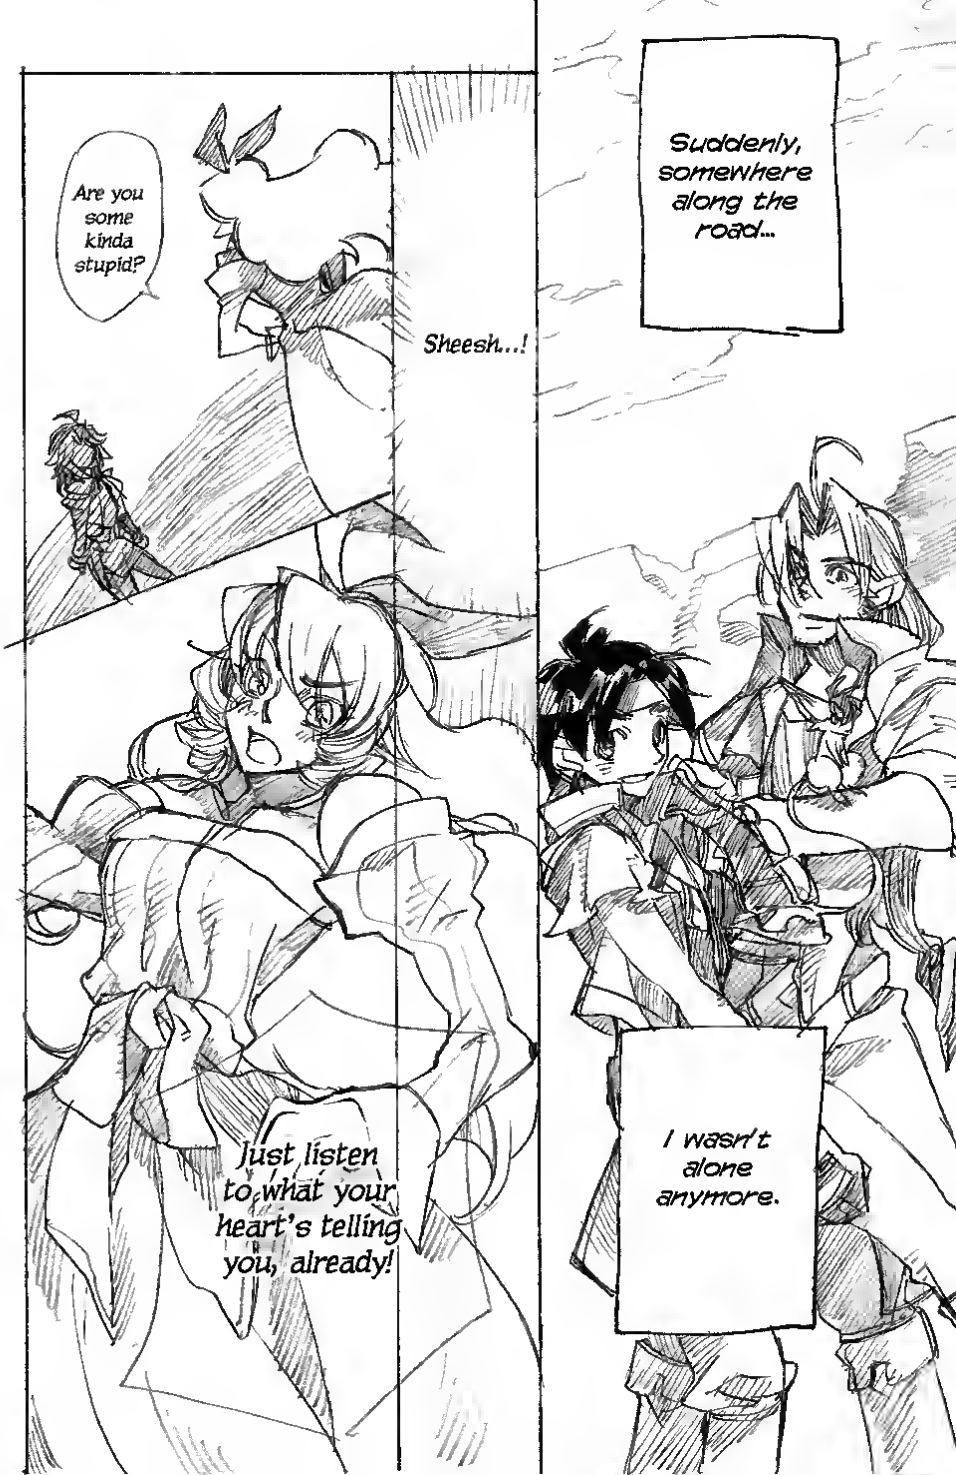


Ba-bOom!
...How can you keep eating that much?
Hey, gimme a bite.
Absolutely not!
Today's Menu
The yakisoba 5-person platter (AKA the Cecilia Special)
...I forgot that I had these kinds of memories...

I expect many great things from you, even after you return to the palace.
scoot
Thank you for everything you've done for me, Sister Mary.
It's gonna be so quiet with you gone...
Wahh!
GRAB
...That's right...
You can come back and eat noodles with me any time you want, okay?



I think... that maybe I can be a different person, too.
I know what it's like...
to be all alone, trapped in the darkness. I couldn't wish a life like that on anyone else.
Please, help the other people in need...
Even now, I'm not the same sad and lonely Mariel I used to be.
Of course. Now it all seems so clear...



Suddenly, somewhere along the road...
Are you some kinda stupid?
Sheesh...!
I wasn't alone anymore.
Just listen to what your heart's telling you, already!

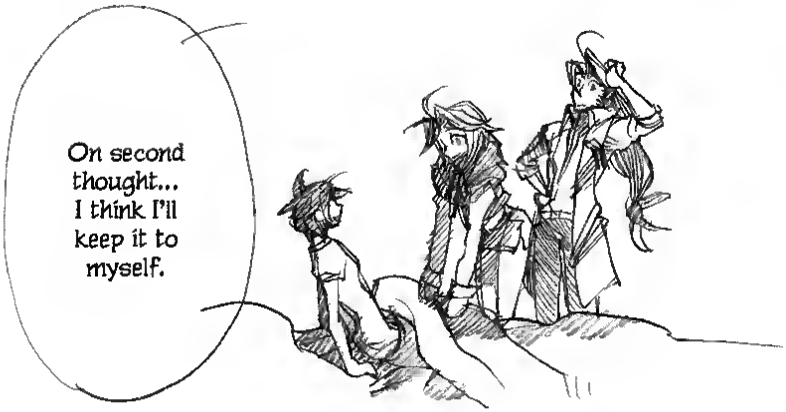
Shing
What my heart is telling me now...
That's right.
SWOOSH

SHOOM
Tsk!
...is that...
SHING
...I love these people.
fwoo...

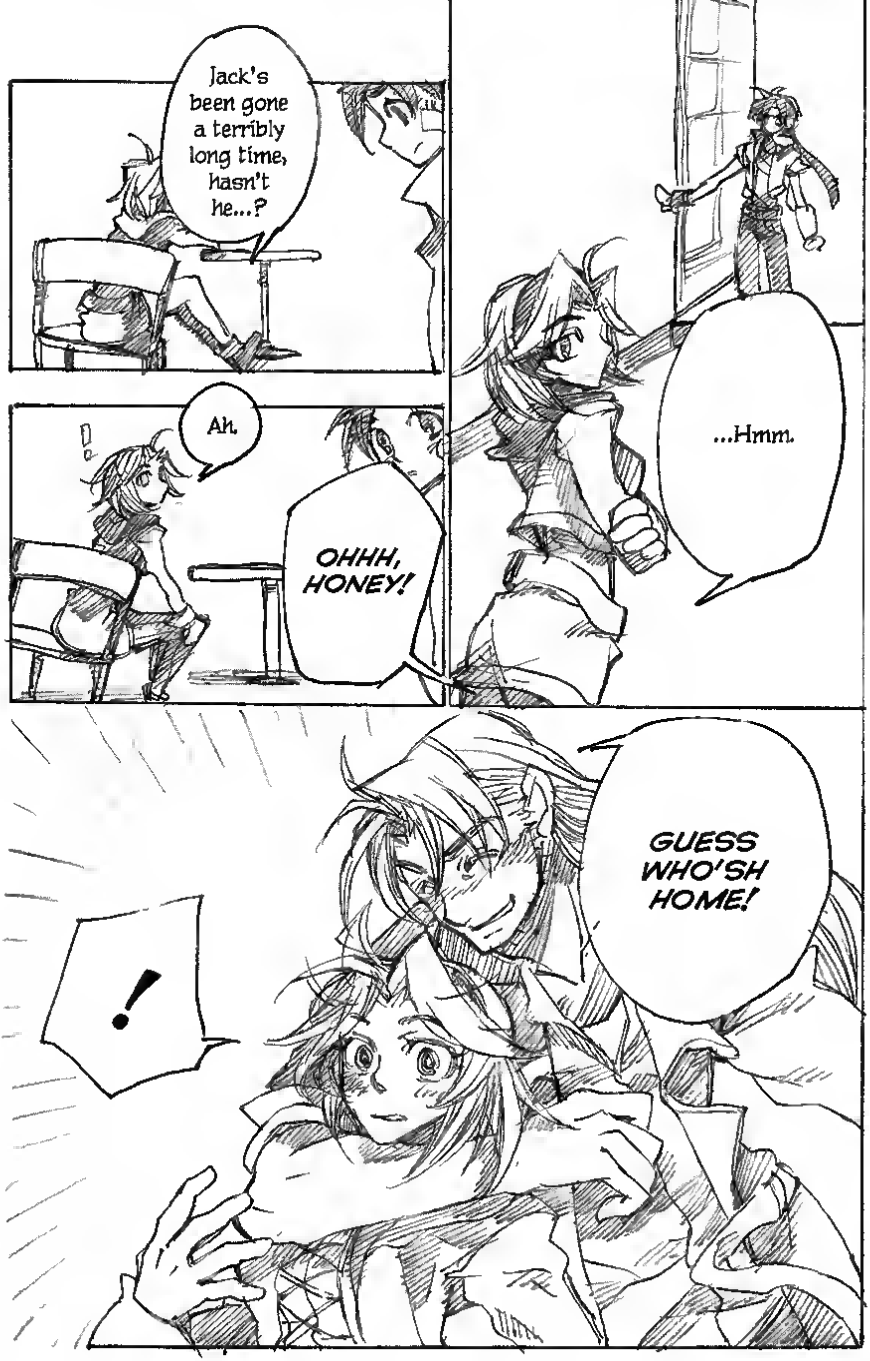
That is what my heart tells me.

...You okay?
...I'm fine.
You had me scared for a second. I thought you were having a bad dream.
Ditto here... Are you okay?
...Oh, now that you mention it...

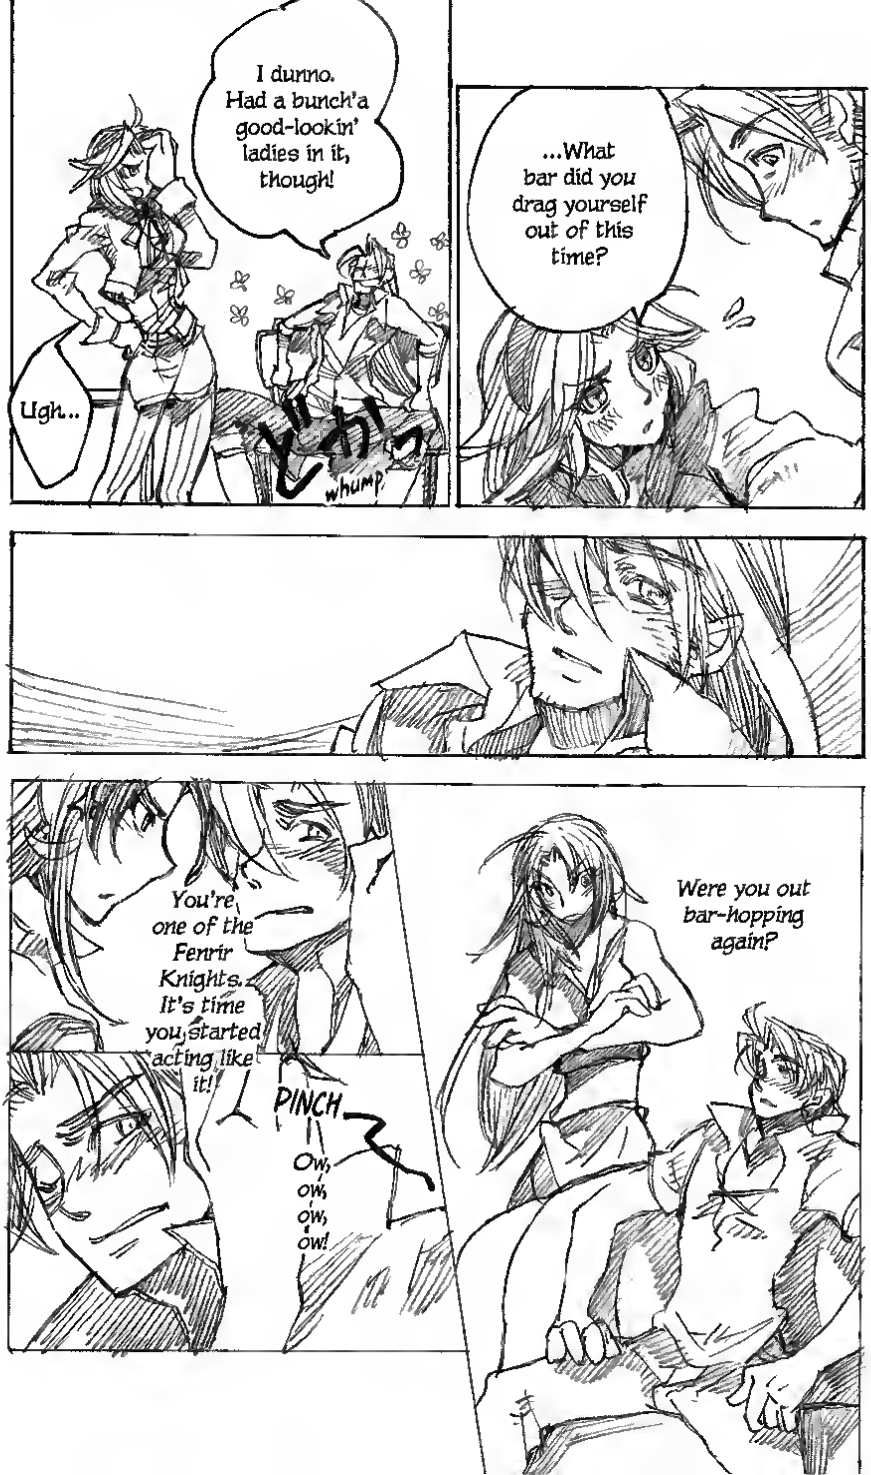
I just figured something out!
...What?



On second thought... I think I'll keep it to myself.



Jack's been gone a terribly long time, hasn't he...?
...Hmm.
Ah.
OHHH, HONEY!
GUESS WHO'SH HOME!
!



I dunno. Had a bunch'a good-lookin' ladies in it, though!
Ugh...
whump
...What bar did you drag yourself out of this time?
You're one of the Fenrir Knights. It's time you started acting like it!
PINCH
Ow, ow, ow, ow!
Were you out bar-hopping again?

SQUEEZE
Ohhh! Must you always...?!
AH?
..Aww, crap.
I... I hadn't realized I was hurting him so much...!

MisFit/WILDARMS Fan book

Hello. I'm Tomoki Mikura.

Today I present to you the first Wild ARMs book I've done in a long while.

I've drawn books based on the game in the past, but revisiting the series now I find myself sympathizing with the kind of pain Cecilia had to deal with, and I'm no stranger to what Jack's gone through, either. That's the kind of story this is.

On a random note, I was recently flipping through the back of the strategy guide for the original game, and there was a comment that Mr. Kaneko (the supervisor of the game) made the comment about Cecilia that she doesn't like drinking. Somehow, that makes total sense to me... Otherwise it'd feel like she lost a little of that innocent charm about her, or something.

Someday, I'd like another chance to write about Cecilia, the girl who's so like me. And Jack too, since I didn't get to write as much of him as I thought I would. And let's not forget Rudy, that precious little thing. (lol)

Thanks for reading!☆
